

New York Building Congress Membership Benefits & Application

Member Opportunities & Benefits

Help forge a common agenda for New York City's building industry, working with the overall design, construction and real estate community.

Participate with committees, task forces, and special events involving industry leaders and public officials of diverse backgrounds and experience.

Support political action on behalf of industry positions on major infrastructure investment, streamlined and effective government procedures, and enhanced public perception and recognition.

Receive timely information and communications on industry-related change and progress, including frequent newsletters and alerts.

Identify with the City's largest industry and one of its most important economic engines.

For more information visit buildingcongress.com
